

KiF general assembly 25/5/2023

Present: Maren, Rayssa, Bianca, Rikke, Helene, Cecilie, Paulina.

Moderator: Maren Malling. **Minutes:** Helene Hagemann.

1. Maren introduces KiF as a section of DFS and a partner of NORNDIP.
2. Events since last general assembly (November 2022): DTU and AU Christmas events in December; Film events at AU; Network event for female students at NBI in March; Women in history of DTU event in April; Two film showings at Cinemateket in collaboration with High5Girls; NORNDiP conference in May
3. Local group activities of the local AU, KU and DTU groups (Århus, Copenhagen, Lyngby)
 - AU (Paulina explains): Provides a platform for coming to talk and share experiences. Although it is difficult to find time slots that fits both students and staff, attendance tends to be 15-20 people. Have planned a picnic for next month (June). Paulina is soon leaving her position, and Laura will take over.
 - KU (contacts are Rikke Klausen and Miranda Andersen): The group is growing on its own without the help of the board.
 - DTU (contacts are Bianca Hansen and Rayssa Bruzaca): Had a great event in April, and more coming.
 - SDU group?? Hopefully to come.
4. Social media (LinkedIn, Instagram, Facebook) follower numbers are growing. Examples of content are PhD profiles, interviews with grant/award winners, innovators and entrepreneurs, and physicists in private industry, and KiF profile takeover on Instagram.
5. How to support KiF: By joining the board, become an organizer or helper at events, becoming a member, spread the word of KiF and encourage others to become members, contribute with content to website and social media
6. Maren presents this year's budget: Very few expenses during 2022, with a total of DKK 2.187,45,-. Current balance is DKK 34.885,70,- due to two large grants. Maren will make sure we still get funding from DFS each year (usual amount of DKK 10.000,-) even in cases of receiving external funding.
7. Current board members: Maren Malling, Louise Kindt, Rayssa Bruzaca, Thea Kozakis, Paulina Majchrzak, Sara Loric.
Continuing board members: Maren, Louise, Rayssa, Paulina (until Sept. 2023), Sara
The board invites others to join. Rikke, Bianca and Helene would all like to join the board.
8. Next big event: DFS annual meeting November 13th+14th.
9. Remaining points (proposals from members, other):
 - Rikke: Establishment of networks (eg. mentoring programmes). It has been tried before, but funding was not obtained. A great idea for the future, especially if one or more board members are interested in applying for funding. This is also a great way to be trained in applying for funding.
 - Bianca: Social KiF gatherings inviting people from abroad?
